How to find the Impact factor database (JCR) and Impact factor for a journal

Type in the Andor search box **impact factor** -> click Search

The first result on the list is a link to **Journal Citation Reports (JCR)** database -> click the database name.
Type the journal title or part of the title in the search box (e.g. Lancet) and choose the journal you’re looking for from the drop down menu.

You’ll see the journal’s detailed information, categories and Impact Factor listed by year.

**Lancet**

ISSN: 0140-6736

ELSEVIER SCIENCE INC

360 PARK AVE SOUTH, NEW YORK, NY 10010-1710

ENGLAND

Go to Journal Table of Contents  Go to Ulrich’s

**Languages**

ENGLISH

52 issues/year

There is more information at the bottom of the page e.g. ranking in the category can be found by clicking rank.
